### iii. Management Quota

- **Number of Applications Received:** Not Applicable
- **Number Admitted:** Not Applicable

## 11. Admission Procedure

### i. BTech Admission Criteria

- **Eligibility:** 12th class examination from CBSE/MP Board or equivalent with Physics, Chemistry, and Mathematics with 45% marks (40% for OBC/ST/SC).
- **Admission Test:** Based on JEE Main Entrance Examination.
- **BT-Lateral Entry:** Diploma or B.Sc. with Mathematics.

### ii. M.Tech Admission Criteria

- **Eligibility:** Graduate in Engineering/Technology with at least 50% marks (45% for SC/ST/OBC).

### iii. Diploma Admission Criteria

- **Eligibility:** 10th class with minimum 35% marks.

### iv. Counseling and Quota Details

- **PPT Counseling:** Through Directorate of Technical Education, Madhya Pradesh.
- **Other Quota Seats:** Contact Institute's office.

## 12. Criteria and Weight ages for Admission

### I. Criteria and Respective Weight ages

- Admission Test: As per Government Norms
- Marks in Qualifying Examination: As per Government Norms
- Any Other Criteria: As per Government Norms

### II. Minimum Level of Acceptance

- As per Government Norms

### III. Cut-off Levels of Percentage and Percentile Score of Candidates in the Admission Test for the Last Three Years

- As per Government Norms

#### **IV. Display of Marks Scored in Test and Aggregate for All Admitted Candidates**

- As per Government Norms
- 

### **13. List of Applicants**

- List of candidates whose applications have been received along with their percentile/percentage score in qualifying examinations, categorized for open seats: **N.A.**
  - List of candidates who have applied for Management Quota seats (merit-wise) along with their percentage/percentile score: **N.A.**
- 

### **14. Results of Admission under Management Seats/Vacant Seats**

#### **I. Composition of Selection Team for Admission Under Management Quota**

- **N.A.**

#### **II. List of Candidates Offered Admission**

- **N.A.**

#### **III. Waiting List of Candidates in Order of Merit**

- To be operative from the last date of joining of the first-list candidates: **N.A.**

endeavors to mold the students into socially responsible professionals through creative team work, innovation and research.

Together, we enter into this Memorandum of Understanding to promote TRAINING, INTERNSHIPS, WORKSHOP'S, WEBINAR AND PROJECTS, etc. Accordingly, SHIKSHA JN. & BM COLLEGE OF TECHNOLOGY, operating under this MOU agree as follows:

### I. PURPOSE AND SCOPE:

SHIKSHA JN. PRIVATE LIMITED and BM COLLEGE describe the intended results or effects that the organizations hope to achieve, and the area(s) that the specific activities will cover.

### II. BENEFITS TO BM COLLEGE OF TECHNOLOGY, INDORE:

- Industry oriented Training/Internships
- Real-time workshops and various webinars on latest technology
- Best industry curriculum
- Real time projects
- Virtual industry visits
- Mentorship of Industrial Professionals
- Various Grooming Sessions
- Internship reports
- Opportunities
- Certification

### III. WHO IS THE TARGET?

Students of following departments:

- EE/EEE
- Mechanical
- Civil
- CSE/IT
- ECE
- Pharmacy

There is no financial commitment on the part of the **BM College of Technology**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

### **CLAUSE 3 INTELLECTUAL PROPERTY**

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights- and designs) of the other Party.

### **CLAUSE 4 VALIDITY**

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period KTRC Engineering Services, Indore, the Second Party will take effective steps for implementation of this MOU. Any act on the part of Training Partner or KTRC Engineering Services, Indore, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

This MOU will last for a period of one year which will start from 23<sup>rd</sup> September 2021. In any discrepancy both parties are liable to terminate this MOU within 30 calendar days of notice in writing. In the event of Termination, both parties must discharge their obligations

### **CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party

## CLAUSE 2 SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

**Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

**Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

**Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of KTRC Engineering Services, Indore specializations, Activities and Services.

**Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies to bridge the skill gap and make them industry ready.

**Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

**Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

**Student Training/Internship:** Second Party will actively engage to help the delivery of the training to students of the First Party into internships programs.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein.

- E) **KTRC ENGINEERING SERVICES, INDORE**, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of - Construction and consultant services under the industry concerned and related fields
- F) **KTRC ENGINEERING SERVICES, INDORE**, the Second Party is promoted by **Mr.Chitranshu Kolbekar**; 101, Kanchan Sagar16, Near Industry House, Palasia, Indore in operation since 2014.
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:**

#### **CLAUSE 1 CO-OPERATION**

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

**CLAUSE 2**  
**SCOPE OF THE MoU**

The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

**Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching/training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

**Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

**Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of **Apoliums info tech india pvt ltd, Indore** specializations, Activities and Services.

**Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies to bridge the skill gap and make them industry ready.

**Guest Lectures:** Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

**Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting trainings as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

**Student Training/Internship:** Second Party will actively engage to help the delivery of the training to students of the First Party into internships programs.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of what so ever nature required for offering the Programmers on the terms specified herein

There is no financial commitment on the part of the **BM College of Technology**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.
